

HOUSE for DUTY (ASSISTANT PRIEST) VACANCY in The WHITEWATER BENEFICE

Welcome to this Benefice Profile and Role description...and welcome to the Diocese of Winchester!

At the heart of our life here is the desire to be always **Living the Mission of Jesus**. We are engaged in a strategic process to deliver a mission-shaped Diocese, in which parochial, pastoral and new forms of pioneering and radical ministry all flourish. Infused with God's missionary Spirit we want three character traits to be clearly visible in how we live:

- Passionate personal spirituality;
- Pioneering faith communities;
- Prophetic global citizens.

The Diocese of Winchester is an exciting place to be at the moment. We wait with eager anticipation to see how this process will unfold. We pray that, if God is calling you to join us in his mission in this part of the world, he will make his will abundantly clear to you.

“As the Father sent me so I send you ... Receive the Spirit” (*John 20:21*)

Odiham Deanery

We are a dynamic Deanery with a mission orientation, and a friendly, collaborative clergy Chapter. We have five Benefices and twenty-six churches, in contexts from suburban, through small town and large village to tiny hamlets, as well as a school chaplaincy. Our multi-parish Benefices have larger town churches teamed with smaller rural churches, each having its Minister licensed by the Diocese. There is a variety of theology, spirituality and ways of doing church and we value and respect this. As we focus on mission for the common good across the whole Diocese, we are reviewing our Deanery Plan to develop our mission in rural contexts, church planting in new development areas and leadership training. It is anticipated and hoped that the Ministers appointed to all our Benefices will play an active part in bringing about creative change.

THE WHITEWATER BENEFICE

Two parishes make up The Whitewater Benefice which takes its name from the River Whitewater that wends its way through the parishes.

It links the parish church of St John's Hook with the three churches making up the northern parish of Heckfield with Mattingley and Rotherwick (HMR).

The Whitewater Valley is an area of outstanding natural beauty and sits within Hart District which has been voted the best place to live in the UK for several years. It enjoys exceptionally good links to road, rail, sea and airports as well as offering an excellent selection of schools and colleges for the local children and good standards of health for its residents. A vibrant church life exists across the Benefice which is growing and developing under the leadership of our Priest-in-Charge. The mission of the Church is promoted in an environment welcoming to all people, with close links to the village schools, businesses and community activities.

The Benefice population is a broad mix of ages and socio-economic groups with high levels of local employment and daily commuting. Further information regarding the villages, churches, local schools and colleges can be found in Appendices 3 & 4.

Our Mission

- Is to grow our churches. We have separate parish Mission Action Plans (pMAP) for Hook and HMR but we are working together to build on our recent achievements in the Benefice. The pMAP for HMR has been developed to address the particular needs of our three rural communities
- Is to encourage our ministry to children and young people, and the number involved in the whole church community. We are building on our relationships with our local schools, offering age-appropriate worship, and continuing to develop initiatives with our pre-schools and uniformed organisations.
- Is to continue our strong ministry to wedding couples, baptism families, and funeral ministry. We shall re-establish the pastoral care team in HMR, continue with fund-raising and social events, and thus strengthen our sense of belonging and contribution to our local communities. We will also continue to develop Lay Ministry and review the organisation of our parish life.
- As a result of recent stewardship initiatives we have seen significant increases in regular giving and donations to the Parish of HMR. Compared to the same period in 2015 receipts for the period January 1st to August 31st 2016 has seen an increase in giving of 14%.

Delicious Lunch Club in Hook

We are also blessed with many social and fundraising events organised by volunteers.

Communication

The website (www.whitewaterchurches.co.uk), weekly notices, the Hook Focus Magazine and The Whitewater Benefice Magazine promote and advertise our activities. The Benefice Magazine has a wide circulation and is a significant outreach into our community.

The ground floor has a large reception room with garden access and open fireplace, a study, good sized kitchen and utility room. Upstairs there are five bedrooms, a bathroom and separate shower room and outside there is a good sized garden with single garage.

Appendix 1 - CHURCH and PARISH ACTIVITIES

Services

A full variety of opportunities to worship are offered across Heckfield with Mattingley and Rotherwick. Services are held in Hook every Sunday, while HMR services rotate between the three churches each week. For example we offer a weekly Communion service from the Book of Common Prayer, regular Evensong and Matins, as well as Common Worship Holy Communions, All-Age Services, Informal Services, Messy Church and Fingerprints (weekly Toddler praise).

At Christmas, Carol and Christingle Services are well attended as are the Remembrance Day Services held in Church and at the War Memorials.

Our team of musicians enhance our worship and special services throughout the year.

Discipleship and Study

The Benefice is a Training Benefice and currently supporting our Priest-in-Charge we have a retired Priest with Permission to Officiate, a part-time Curate, two LLMs and a number of parishioners who participate in services. We welcome Ordinands and LLMs for placements as part of their training.

There are now five Bible Study Groups across the Benefice and numbers are growing within them, alongside a range of programmes that support and develop faith within the Benefice for both adults and youth including Children's Activity Groups. In January 2017 we shall see five teenagers and nine adults complete Emmaus Courses and be confirmed.

The Lady Chapel, Hook

Schools' Ministry

Marion de Quidt takes a weekly assembly at Whitewater School, Rotherwick and we have two Open the Book Teams who work within Whitewater School and Hook Infants. The Infant and Junior Schools of Hook come into church for festivals, in year groups to learn about the Christian faith, and Marion has begun leading assemblies for the Junior School. At Easter we introduced a 'Walk through Easter' experience for Whitewater School in Rotherwick Church, which teaches the Easter Story at interactive 'stations' and makes it real for children and adults. It was very well received.

Social Events

There are a number of social events which take place annually or occasionally to bring people closer as a Church family to live out the mission of Jesus.

Events across the two parishes have included Summer and Christmas Fairs, a Ladies Pamper Evening, Quiz Nights, Bowling with Supper, Burns' Night, Harvest Supper, Talks with Supper, Bridge Lunches, Talent Shows, Charity Lunches and Lunch Club, Passover and Seder, BBQs for various celebrations, Sunday School Fun-day and Picnic, Bishop's Garden Party, Lent Lunches, Spring Plant and Cake Sales, St John's Church 75th Anniversary Celebrations, and joint events with the Life Church at Hook.

A monthly Lunch Club and daily Coffee Shop operating from The Narthex at St. John's, Hook, offer outreach and friendship for local people and visitors. At Christmas time two events with 'Carols in the Barn' draw large crowds to begin their Christmas celebrations.

HECKFIELD

The Village of Heckfield is a small rural village consisting of a few houses sited around the church and either side of the B3349.

There are two farm shops, each with tea rooms, and the village adjoins the Duke of Wellington's Estate at Stratfield Saye. In 2011 the population was 339.

The Church in Heckfield was once the centre of the medieval village, sited beside the manor house (now Highfield Park; a conference and wedding venue) with another large house (Heckfield Place) nearby. Nowadays The Heckfield Memorial Hall serves as a centre for village activities. It has a small kitchen for refreshments after services.

William Butterfield designed **Heckfield Memorial Hall** (1863), which was originally part of a group of alms-houses donated by Viscountess Eversley. It serves as a centre for village activities, church functions and a monthly furniture auction as well as being available for general hire and in 1999 a smaller function room (The Millennium Hall) was added.

MATTINGLEY

The Villages of Mattingley together with Hound Green are small settlements along the B3349. The population in 2011 was 583. The land is mainly used for farming with cottages and houses around Mattingley Church and either side of the B3349.

Hazeley Heath to the east of Mattingley is a site of Special Scientific Interest and Mattingley church was built using locally fired hexagonal bricks.

Mattingley Church is a unique Grade 1 Listed Building. It was originally a moot hall and a Chapel of Ease to St. Michael's, Heckfield. **The modern Rectory** was built in 1968 and is situated in Vicarage Lane, off the B3349. See Appendix 5.

There is a small **Village Hall** situated in the common near to the Church. It is owned by the Church and hired by a local play group, The Pumpkin Patch.

ROTHERWICK

The Village of Rotherwick is the third small rural village of the parish and lies two miles to the west of the B3349. In 2011 the population was 564.

The village Church, Church of England primary school (Whitewater School) and village hall are all situated along The Street as are many of the houses and cottages. Tylney Hall, located just outside the village, is a country house hotel catering for weddings and conferences and the Gordon Brown Centre nearby offers outward bound and educational activities for children. The two pubs in the village host popular social events, receptions and fundraising activities for charity.

The Church dates from the 13th century and the bells are regularly rung by our active bell-ringing team. A kitchen area was added recently enabling refreshments to be served after services and school activities in church. **The Village Hall** is a memorial to Charles de Forrest and was recently refurbished. It hosts many village clubs, parties, dances, wedding receptions and church social functions.

HOOK

The Village of Hook lies to the south of HMR on the A30 next to junction 5 on the M3 and enjoys a main line station to London Waterloo (1 hour) and bus links to Basingstoke and surrounding towns and villages. There is a large business park, small industrial estates and a number of people commute. The town is growing with new housing and future development planned. The local infant and junior schools are thriving, happy, growing establishments (Appendix 4). The population in 2011 was 7,700.

The Church of St John the Evangelist, situated in the centre of Hook, was consecrated in 1938 and designed by Sir Edward Maufe, the architect of Guildford Cathedral. **The “Narthex”** was added in 1992 providing a **Lady Chapel** (open daily for private prayer and mid-week services), **Benefice Office**, coffee shop and meeting rooms. **The Church Hall** next to the Church hosts church activities, village groups and societies and is home to the outstanding St John’s Pre-School during term time. **The Rectory** was built in 1983 beside the Church and is home to the Priest-in-Charge.

Hook has two Village Halls. The Elizabeth Hall has one large hall with a stage and three smaller halls and Hook Community Centre has a sports hall, changing rooms, tennis courts, other sporting facilities and rooms for hire. It houses the Base Youth Centre and Hook Village Nursery.

Events, Activities, Amenities

A number of **events** are held in the village: The Hook Fun Run and Road Race, Firework Display and the Christmas Cracker make up some of the popular annual events in which people participate, volunteer and support in all ways.

Photo below: St George’s Day Parade, 2016

Hook residents enjoy a wide range of **clubs and activities** including: the Hook Players, Choral Society, Local History Group, Gardeners’ Club, Bowling Club, Townswomen’s Guild, Badminton Club and Eagle Morris Men, Football Club and the Hook and Newnham Basics Cricket Club. The younger generation has the Base Youth Centre, a full range of Scout guide Groups and Hook United Youth Football Club.

There is a Doctors’ Surgery, two pharmacies, dental and veterinary practices as well as a broad selection of shops and restaurants and a medium sized supermarket plus play parks, skateboard ramps and playing fields for residents to enjoy.

HART DISTRICT

The Whitewater Benefice lies in Hart District in North East Hampshire. Hart has been voted the best place to live in the UK in several national surveys in recent years.

Schools and colleges in the area

The Benefice is fortunate to have access to excellent educational opportunities for all ages within, or close to, the Benefice.

Whitewater C of E Primary School is in Rotherwick and was rated as 'good' by Ofsted in September 2014. The church community and school enjoy a close relationship with many joint celebrations in Rotherwick Church. The Ministry Team and Church Community are key members of school life; visiting and participating in 'Open the Book', teaching and learning with the children.

The School intake is for 4 to 11 year olds and the 2015 SIAS Report stated: "The distinctiveness and effectiveness of Whitewater as a Church of England school are good...with acts of worship making a valuable contribution to the development of the children's wellbeing and appreciation of faith and belief."

The School celebrated its 300th Anniversary in 2012 and a commemorative stained glass window provided for by the late Ninian Swan was installed in the church.

THE WHITEWATER SCHOOL PRAYER

Heavenly Father, we thank you for our school.
Give us every day the strength to follow your teachings and develop a never-ending love of learning. Help us to value one another and be good strong friends. Guided by your Spirit help us to be the best we can. We ask this through Jesus Christ, our Lord and friend. Amen

Hook Infant School and Junior School are in the centre of Hook. The mission statement of the Infant School is to work together as a community to provide a happy, secure and stimulating environment where children are motivated to learn, are valued as individuals and encouraged to achieve their full potential.

The Infant School has pupils aged 5 to 7 and the March 2014 Ofsted Inspection rated the School as 'outstanding'.

The Junior School is a County Junior School for ages 7 to 11 and the January 2013 Ofsted Inspection rated the school as 'good'.

Robert May's School, in Odiham, is the nearest secondary school and is the catchment school for both parishes. With 1,200 pupils aged 11 to 16 the October 2012 Ofsted Inspection rated the School as 'good'.

Other Schools and Colleges

There are excellent Sixth Form Colleges at Basingstoke, Alton and Farnborough along with Colleges of Further Education and universities at Reading, Winchester and Guildford.

Additionally there are a number of nurseries and private preparatory and senior school in the area for all educational ages.
