Priest in Charge St Lawrence York

Thank you for showing an interest in St Lawrence's York. Together with the parish, deanery and diocesan representatives, I look forward to welcoming a new priest into this vibrant community who will help lead the parish in its next chapter of faithful witness within the city of York.

St Lawrence's recent history is a story of great encouragement to us all. The energy, commitment and faithfulness of the Churchwardens and PCC has brought new life to the parish as the Profile bears witness to. The wardens are clear that they are looking for a priest who will relish working with a committed team of laity and who will enable the sacramental ministry of the parish to grow appropriately.

I would be delighted to have an informal conversation with anyone who may be beginning to discern where God may be calling them next, as would +Flora, the Bishop of Selby.

Yours,

+Stephen
