Vicar of Boughton Monchelsea

A Message from the Bishop of Dover

Welcome and thank you for taking an interest in the role of Vicar of Boughton Monchelsea. The Parish Profile sets out the needs and priorities of the parish, and will give you an idea of the kind of priest they are looking for.

St Peter's and Junction form a lively and varied Christian community on the southern edge of Maidstone, with a culture of mission to their village and beyond. There is an able ministry team in place, serving active and enthusiastic congregations.

The new Vicar will need to have an enabling ministry, offering leadership in mission that grows the church and brings out the best in a wide range of people.

The parish has been actively engaged both in North Downs Deanery and in church life in Maidstone over the years, and is,

of course, very much a part of the diocesan family. So, as part of your discernment process in looking at this role you will want to gain a sense of the bigger picture of us as a diocese, our vision, and priorities for the future.

Who we are

Founded in 597 by St Augustine, Canterbury Diocese is the oldest diocese in England and has a special place in the life of the national and worldwide Church. With its iconic Cathedral it forms a focal point for the life of the whole Anglican Communion, offering a spiritual home and place of pilgrimage for people from every nation and walk of life.

Kent is renowned as the 'Garden of England' and this rural heart is core to our identity – yet the communities we serve are very diverse. Our Diocese stretches from Maidstone to Thanet, from the Isle of Sheppey to the Romney Marsh. We have 350 miles of coastline with historic ports and seaside resorts, alongside rural communities, market towns and commuter-belt urban developments. Affluent areas often sit alongside pockets of major deprivation, offering an exciting and challenging mission context.

Our vision

By God's grace we want to be a people who are...

- confident & creative disciples of Jesus Christ
- rooted in scripture & drenched in prayer
- living gratefully, giving generously, caring for creation & sharing the gospel
- growing in number & expectations of God & ourselves
- motivated by justice & love, open to the Spirit & ready for adventure!

Therefore we will...

'Therefore we will...' is a recognition that words without actions are empty. In 2023, Diocesan Synod agreed to three bold outcomes which flesh out how our vision will be achieved by 2030.

Three Bold Outcomes

- 1. Double the number of children and young disciples.
- 2. 200 new Christian communities.
- 3. Every parish, benefice and deanery showing signs of revitalisation.

Every deanery is engaged in an ongoing process of deanery planning, which feeds into our diocesan strategy process which you can find outlined here. Our strategic planning across the diocese is a dynamic process - and it's exciting that parishes are considering our vision and the bold outcomes vision for themselves, exploring together what actions they will commit to take, what their local 'Therefore we will...' might look like.

As well as the three bold outcomes our diocesan synod has committed to a net zero carbon action plan. When General Synod and Diocesan Synod adopted this goal, it was clear that it would be very challenging. However, the significant changes in global weather events in recent years have underlined the urgency of tackling the amount of carbon we produce. The leadership shown by the Church of England is important and the action plan takes a positive approach to working towards this ambitious target.

At the heart of all we do is a commitment to transformation for ourselves and our communities: Changed Lives → Changing Lives. If you are the right person for this role, we will be looking for you to join in with what God is already doing and play a crucial part in making our vision a reality.

Our Safeguarding Ethos

As a diocesan family, we are also deeply committed to our calling to build a safer, more welcoming church for all. We will never be perfect, but we can work together to make our churches safer. At the heart of this ethos is the conviction that safeguarding is everyone's responsibility – and that it needs to be at the heart of everything we do. You can find out more about our approach to safeguarding here.

Our commitment to you

We know that supporting healthy, flourishing ministers (lay and ordained) is crucial for a healthy, flourishing diocese. Therefore, we offer the 'Canterbury Diet' to all our new incumbent ministers – this is an intentional programme for ministerial development, health, growth and faith. A similar lay programme is in development too. We offer pastoral supervision and spiritual accompaniment, an invitation to be part of residential training programmes focused on learning, leading and mission, action learning sets, as well as a range of specialised training events, and other regular opportunities for growth in prayer and spirituality.

In short, I hope that you will be as excited by our vision, priorities and opportunities as we are. Be assured of our prayers as you consider your next step in ministry.
