5 Archdeacon's Comment

Our vision as the Diocese is about the building of **confident Christians** who are part of **growing churches** and helping to **transform communities** with the good news of Jesus Christ. For all of our appointments we are seeking clergy who have a joyful and confident faith, inspired to encourage spiritual and numerical church growth.

This appointment is to a large rural benefice in a unique part of Yorkshire. We would want to support and encourage the incumbent to proactively engage in simplifying governance and administration in order to liberate a better use of time for mission and spiritual nurture. There has been a good, friendly and active desire by the parishes to engage in closer and practical collaboration and shared vision, wanting the 'smallness' of rural identity to be valued and treasured as well as inspired creatively. The LEP with the Methodist church is a particularly valuable partnership and is celebrating 20 years in 2026 – it is important that this is nurtured, as too the different churchmanships represented across the congregations.

In all, the parishes are realistic about the challenges that face rural churches, but they are hopeful and open to shared vision about meeting those challenges with the joy of the gospel and are genuinely engaged. The Ripon Episcopal Area and Deanery has a strong collegiality characterised by a desire to help one another with a robust and growing confidence and understanding about rural ministry.

All new appointees in the Diocese are required to undertake:

- (i) the diocesan induction programme which includes diocesan training for safeguarding children and vulnerable adults,
- (ii) a course on presence and engagement in the context of other faiths, and
- (iii) the residential "*Leading Your Church into Growth*" course (LYCiG).
- (iv) rural ministry training.

Newly appointed clergy are required to book onto a LYCiG conference within 12 months of their appointment, and ideally to attend with some people from their parish. Experienced mentors and training are available to new incumbents to make the most of LYCiG. It is also encouraged that those involved in rural ministry, sign up to the Ripon Cathedral Rural Ministry Forum.

The accommodation offered will be The Rectory, Kirkby Malzeard as detailed in the Parish Brochure. Prior visits, if necessary, can be arranged via the Archdeacon's PA. Please contact chloe.drummond@leeds.anglican.org

APPENDIX: Our Diocesan Strategy

Barnabas Encouraging Confidence

The Diocese of Leeds is committed to building **confident Christians** who are part of **growing churches** and helping to **transform communities**.

As followers of Jesus, we are called to **share the Good News**, serve others and make a positive difference in our communities. To help us do this, we need to be **confident** in our faith, in our churches and in the future.

Over the next 10 years, we are focusing on four key areas:

- **Confidence in our Mission** – Helping churches understand their purpose and make the best use of their buildings, time, and resources.
- **Confidence in our Future** – Ensuring the diocese remains sustainable, effective, and well-prepared for the years ahead.
- **Confidence in our Leadership** – Supporting and equipping everyone who serves in our churches.
- **Confidence in our Witness** – Encouraging and empowering people to share the Good News of Jesus, especially with children and young people.

These **four pillars will guide everything we do from Church House**, helping us work together and support the diocese more effectively.

What is Barnabas: Encouraging Confidence?

Barnabas: Encouraging Confidence is a strategy designed to **support churches in their mission**.

Diocesan teams (and we hope Churches across the diocese) are focused on ensuring their work supports increasing confidence in the 4 areas of mission, future, leadership and witness.

It goes even further through seeking and using additional funding from the national church to provide resources and targeted initiatives which can help churches to **grow, adapt, and thrive**. A dedicated **Barnabas Programme** team will oversee this, working with wider diocesan teams to ensure we get alongside parishes, offering guidance and practical support.

The name **Barnabas** is inspired by the early church leader who encouraged and strengthened others in their faith. In the same way, this strategy aims to **build up** and **equip** churches so they can

move forward with confidence.

As we step forward, we do so with a shared commitment to seeing our churches and communities flourish.
