

Priest in Charge (0.2 Stipend plus House)

The United Parish of Reculver

A Message from the Bishop of Dover

Welcome and thank you for taking an interest in the role of Priest in Charge of The United Parish of Reculver. The Parish Profile sets out the needs and priorities of the parish, their shared Person Specification will give you an idea of the kind of priest they are looking for.

Who we are

Founded in 597 by St Augustine, Canterbury Diocese is the oldest diocese in England and has a special place in the life of the national and worldwide Church. With its iconic Cathedral it forms a focal point for the life of the whole Anglican Communion, offering a spiritual home and place of pilgrimage for people from every nation and walk of life.

Kent is renowned as the 'Garden of England' and this rural heart is core to our identity – yet the communities we serve are very diverse. Our Diocese stretches from Maidstone to

Thanet, from the Isle of Sheppey to the Romney Marsh. We have 350 miles of coastline with historic ports and seaside resorts, alongside rural communities, market towns and commuter-belt urban developments. Affluent areas often sit alongside pockets of major deprivation, offering an exciting and challenging mission context.

Our vision

By God's grace we want to be a people who are...

– *confident & creative disciples of Jesus Christ*

- *rooted in scripture & drenched in prayer*
- *living gratefully, giving generously, caring for creation & sharing the gospel*
- *growing in number & expectations – of God & ourselves*
- *motivated by justice & love, open to the Spirit & ready for adventure!*

Therefore we will...

'Therefore we will...' is a recognition that words without actions are empty. In 2023, Diocesan Synod agreed to three bold outcomes which flesh out how our vision will be achieved by 2030.

Three Bold Outcomes

1. Double the number of children and young disciples.
2. 200 new Christian communities.
3. Every parish, benefice and deanery showing signs of revitalisation.

Every deanery is currently working on updating their deanery plans from the versions that fed into our 2022 strategy document [which you can find here](#). Our strategic planning across the diocese is a dynamic process - and it's exciting that parishes are considering our vision and the bold outcomes vision for themselves, exploring together what actions they will commit to take, what their local 'Therefore we will...' might look like.

As well as the three bold outcomes our diocesan synod has committed to a net zero carbon action plan. When General Synod and Diocesan Synod adopted this goal, it was clear that it would be very challenging. However, the significant changes in global weather events in recent years have underlined the urgency of tackling the amount of carbon we produce. The leadership shown by the Church of England is important and the action plan takes a positive approach to working towards this ambitious target.

At the heart of all we do is a commitment to transformation for ourselves and our communities: *Changed Lives → Changing Lives*. If you are the right person for this role, we will be looking for you to join in with what God is already doing and play a crucial part in making our vision a reality.

Our Safeguarding Ethos

As a diocesan family, we are also deeply committed to our calling to build a safer, more welcoming church for all. We will never be perfect, but we can work together to make our churches safer. At the heart of this ethos is the conviction that safeguarding is everyone's responsibility – and that it needs to be at the heart of everything we do. You can find out more about our approach to safeguarding [here](#).

Our commitment to you

We know that supporting healthy, flourishing ministers (lay and ordained) is crucial for a healthy, flourishing diocese. Therefore, we offer the 'Canterbury Diet' to all our new incumbent ministers – this is an intentional programme for ministerial development, health, growth and faith. A similar lay programme is in development too. We offer pastoral supervision and spiritual accompaniment, an invitation to be part of residential training programmes focused on learning, leading and mission, action learning sets, as well as a range of specialised training events, and other regular opportunities for growth in prayer and spirituality.

In short, I hope that you will be as excited by our vision, priorities and opportunities as we are. Be assured of our prayers as you consider your next step in ministry.

And a note from the Archdeacon of Canterbury

The United Parish of Reculver is a single parish with three churches. It brings together the former parishes of Reculver, St Bartholomew Herne Bay and Hoath and thus blends together part of the large seaside town of Herne Bay, the smaller seaside community of Reculver and the rural and agricultural village of Hoath. The three churches have their own characters and distinct ministries.

The new priest in charge will be expected to give the equivalent of two days per week plus Sunday duty to the role. There is a growing and very committed ministry team, including a self supporting curate in training and retired clergy.

The parish profile sets out the PCC's vision for the future and their hopes for their new parish priest.

Discussion about the potential redevelopment of the site at St Bartholomew's Herne Bay, where the Vicarage is sited, is an important task, as are ongoing conversations within the Reculver Deanery about pastoral and ministerial provision.

This is an important appointment and I encourage anyone who would like to make an application to be in touch with me via Caroline Hemington (chemington@diocant.org). There is a real job to do here: plenty of potential and renewed energy. It needs a priest who can make a difference.

I look forward to hearing from you.

Archdeacon of Canterbury
