

## St Alban the Martyr, Northampton

### VICAR

St Alban the Martyr is a vibrant and welcoming church, committed to growth and responding to the needs of our community. We are looking forward to meeting a new incumbent who will work alongside us in this single church and its diverse parish. We describe ourselves as 'moderate catholic', but we are open to all.

We are looking for someone who will:

- be adaptable in worship
- build on our youth and children's work
- develop our ministry to the elderly and vulnerable
- explore and widen our community links
- support lay ministries
- inspire a team

We hope that you enjoy looking at our parish profile and perhaps have a conversation with our archdeacon.

Meanwhile we will be praying that God makes his way clear to you.

For an informal conversation, please contact
