Yours faithfully,

Diocesan Secretary
Diocese of Liverpool

Who we are

The Diocese of Liverpool is one of 42 dioceses that make up the Church of England, sitting within the Province of York under the guidance of the Archbishop of York.

Our diocese spans far beyond the heart of Liverpool, from the coastal town of Southport to the industrial heritage of Widnes, from the communities of North Warrington to the borough of Wigan, we serve a wide and dynamic region. Our operational base is St James' House, situated next to the breath-taking Liverpool Cathedral - the mother church of our diocese and an iconic landmark of faith and culture.

Our Diocese

Our diocese is led by the interim Bishop of Liverpool and the Bishop of Warrington, supported by three Archdeacons of Liverpool, Knowsley & Sefton, and St Helens & Warrington. These archdeaconries are made up of 14 deaneries, which include:

- 160 parishes, each with its own unique character and mission
- 275 dedicated members of clergy
- 275 licensed readers actively engaged in ministry
- 100 retired clergy still making a meaningful impact
- 50,000 committed church members
- 120 church schools educating and nurturing faith
- 30,000 children receiving their education in a church school setting

The Diocese of Liverpool's mother church is the Liverpool Cathedral which is the biggest cathedral in the UK and also one of the biggest in the world!

Our administrative centre is Saint James House where you would primarily be based in this role and where majority of our staff are based.

Our Vision

Our diocesan vision is simple. We are asking God for a bigger church which will allow us to make a bigger difference with more people knowing Jesus and more justice in the world.

Our first ever Bishop of Liverpool, J.C Ryle, wanted every person, lay or ordained to become 'active agents' of the church. That belief has shaped our mission since the 1800s and remains at the heart of what we do today. We are committed to ensuring that everyone in our diocese is equipped and empowered to live out their faith in meaningful ways.

We have developed a bold and ambitious plan to help every part of our diocese step forward in mission. We want to see parishes working together to build a church that is younger, more diverse, and deeply rooted in its communities - a confident Christian presence in every area we serve.

To help our parishes, schools and chaplaincies flourish and fully embrace this vision, we are prioritising:

This is an exciting time to be part of the Diocese of Liverpool as we continue on this transformative journey together.

Our Strategy - Fit for Mission

At the heart of our diocesan strategy is Fit for Mission, a transformative programme designed to remove barriers to growth and equip our churches to flourish. This initiative supports every deanery in the Diocese of Liverpool to shape its own future - strengthening mission, deepening discipleship, and ensuring sustainability.

Through Fit for Mission, we are investing in six key areas, providing expert support and specialist resources to empower our churches to:

- Deliver best-practice missional ministry through collaborative team working with a group of other churches
- Multiply the number and type of church communities, so that many more people can know Jesus
- Deliver sustainable buildings to meet and worship in
- Give good support and accountability to lay and clergy leaders
- Streamline parish bureaucracy through forming larger parishes
- Make admin and compliance easier through Resource Hubs in each larger parish

Fit for Mission is about renewal, opportunity, and a bold step into the future. Together, we are building a Church that is equipped, empowered, and ready to make a lasting impact.

Our Strategy - Diocesan Investment Programme

Building on our Fit For Mission programme, we are working towards a new investment from the Church of England to enable us to expand delivery in:

- 1 Mission** – Expanding our work with children and young people, championing social and racial justice, revitalising churches, and establishing new worshipping communities.
- 2 People** – Deepening discipleship, creating clear vocational pathways through 'Lifecall', and offering accessible training and development for both lay and ordained ministry.
- 3 Financial Sustainability** – Encouraging generosity as a core part of discipleship, providing expert guidance on maximising church buildings and assets, and offering grants to support mission and long-term growth.

This is a moment of opportunity - a time to step forward with faith, ambition, and commitment. Together, we are shaping a thriving future for the Church in Liverpool and beyond.

The Role

Role Title: Cultivate Enabler

Reporting to: Cultivate Lead

Salary: £34,000 per annum

Hours: 35 Hours full-time

Location: Based at St James House, Liverpool, but with majority of time spent “in the field”. Travel within the diocese is necessary with some evening and weekend work required.

Role Summary:

Are you someone who:

- Is excited about enabling clergy and lay people to think about mission in new ways?
- Wants to see lay people released into planting and growing new worship communities?
- Is able to deliver training, workshops and mentoring in a relevant and engaging fashion?

We are looking for a gifted and passionate team member to work with local clergy and a local Cultivate team to grow mission locally and fulfil the diocesan vision of more people knowing Jesus, and more justice in the world. Both experience and the evidence suggests that a key strategy for church growth is the planting of new worship communities, and so we have developed a programme called Cultivate that catalyses the growth of new worship communities and releases, trains and supports lay people in this pursuit. Fundamentally, the essence of this role is to ensure that more people know Jesus and that churches in Liverpool Diocese are growing with disciples.

Cultivate Enablers will primarily be assigned to two particular deaneries and will deliver all aspects of Cultivate in each. Cultivate works with both Larger Single Parishes (LSPs) and Single Parishes (SPs), enabling them to become more missionally effective, and it attempts this in two ways. The first is supporting churches to “refresh” what already exists, enabling them to build

The Role

missional capacity. The second is enabling a “fresh” wave of new worship communities and justice initiatives to spring up through envisioning, training and supporting lay leaders. Vitally, all clergy (and churches) engage with both pathways concurrently and all aspects of Cultivate are led by local lay and clergy teams. Through both the FFM and DIP projects, we have a remarkable opportunity to work with every church in the diocese, encouraging and growing missional capacity and encouraging the planting of new worship communities, and therefore we are particularly looking for people who are able to work across a broad range of traditions in the church.

Duties and Responsibilities

Cultivate will work, as we have said, to enable churches to grow in their missional capacity and to catalyse the planting of new worship communities, using the Cultivate pathways but adapting to the locality, in conjunction with local clergy and a local team. Therefore the core tasks will be:

1. Establish key local relationships:

- Develop good relationships with local clergy in both LSPs and SPs
- Establish a local Cultivate team of both clergy and lay that will focus on the establishment of new worship communities and the development of lay planters in the area
- Together with the local Cultivate team, develop a work plan that focuses on the development of new worship communities and lay planters in their area

2. Ensure the establishment of new worship communities and development of lay planters:

- Ensure the 6-week Cultivate course, in-person and online, is delivered to groups of emerging lay leaders and clergy
- Deliver workshops to clergy (including Mission Plan workshops)
- Help to grow and develop emerging lay leaders, alongside clergy
- Enable an ongoing system of lay leader mentoring by clergy to be set up
- Ensure additional training to emerging lay leaders is set up
- Help to organise the annual retreat for emerging lay leaders across the diocese

The Role

Duties and Responsibilities cont;

- Work with the New Worship Communities (NWC) Enabler to establish and grow Learning Communities, which will support learning and development for emerging lay leaders but will also be a catalyst for NWC planting in deaneries across the diocese.

3. Grow missional capacity in existing churches:

- Deliver the Church 360 tool to churches and existing worship communities, delivering workshops and 1-to-1 conversations, facilitating all aspects of the process and enabling the establishment and review of action plans.

4. Liaise with the deanery and diocese:

- Be the Cultivate contact for the deanery, develop good relationships with key personnel (including, in FFM, the local Cultivate Lead, the Change Facilitator, the Change Lead, and the Team Coach), engage effectively with all clergy, foster good relationships with emerging lay leaders.
- Integrate work with the Vocations Team to ensure robust recruitment practices for Lay Leaders and support for vocational pathways for individuals including relevant learning and development opportunities.
- Ensure excellent communication with key stakeholders and adhere to agreed procedures for the full delivery of Cultivate.
- Measure and track delivery data
- Actively prepare the deanery for succession planning, enabling Cultivate to be delivered beyond the intervention period

5. Develop Cultivate:

- Together with the rest of the Cultivate Project Team, seek to develop Cultivate (including the key tools, processes and procedures that underpin both Pathways) through consistent participant feedback, effective review, and development meetings.
