The Diocese of Peterborough

cpas PARTNERS IN MISSION

RECTOR
The Chenderit Benefice, Northamptonshire

Chenderit Benefice is on the southwest edge of Peterborough Diocese in a beautiful part of rural Northamptonshire. Our Vision is to enable Jesus to be known in all our villages. If you feel called to minister to expanding village populations, celebrating good news in a variety of different ways, then read on:

We would like our new Rector to:

- Be a strong advocate for the Gospel
- Offer pastoral care
- Develop deeper relationships with schools
- Get to know, understand, and work with the different village cultures
- Develop administrative, finance and governance structures to release ministry and mission resources
- Work with the diocese to appoint a House for Duty colleague – this post has already been agreed
- Be a lover of Jesus and a visible Christian presence
- Be able to embrace different worship styles
- Be enthusiastic to work with children, young people, and their families
- Have some understanding of mission in a rural, multi-parish benefice
- Be a good communicator - personable and organised

For an informal conversation please contact:
The Ven. Richard Ormston
