C. Buildings

i Please provide a general overview of the general state of repair of the church building and environs

This can usually be found in the 'Executive Summary' of the most recent Quinquennial Inspection report

Quinquennial 29 November 2024

- 1.01 Since the last quinquennial inspection, the church has been maintained in a good condition with a concerted approach to addressing maintenance and repair items.
- 1.02 Most of the works suggested in the previous quinquennial report have been addressed and this has put the church and surroundings into a good state of repair.
- 1.03 There is concerted effort by the Churchwardens and committees to repair, maintain and improve the church overall and a positive and planned approach has been adopted to achieve this end, together with an admirable fund-raising programme to finance these works.
- 1.04 This has all been achieved even though we have gone through the period of the world coronavirus epidemic. There were periods when funds could not be raised and works could not be undertaken.
- 1.05 In general, the building is in a reasonable condition to the external fabric other than strategic areas of repointing works required. There will in future years be the need to undertake some items of potentially high cost which will need to be planned. These are hopefully quite a way off but now is the time to start this planning and addressing how it will be funded. This will be a significant challenge if not planned for in the preceding years. Although this work will be beyond the next quinquennium, it is vital to start planning now and ring-fencing funding for maintenance and repairs.
- 1.06 The log book is currently up to date and needs to be used regularly. It is currently maintained in a good order to keep a record of works and to act as an aide memoir for regular works such as servicing dates and periods.
- 1.07 There are some repairs and items of maintenance that require undertaking, which have been identified in the main body of the report.

ii	Please highlight any major maintenance	None
	requirements identified during the most recent

8. Additional Information

Use this space to record any other information which you would like the Patron and the Bishop to be aware of regarding the conditions, needs, or traditions of the parish(es). Continue on a separate sheet if necessary.

We have a traditional Communion Service at 9.45 am on the second, third and fourth Sundays of the month with sung Gloria (when appropriate) and sung Lord's Prayer. A wide variety of hymns, both traditional and modern are chosen from a seasonal list of hymns. Clergy usually wear an Alb for this service.

On the first Sunday of the month, the 5.00 pm service is usually Evensong, sometimes substituted by a special service, for example Lammas Songs of Praise, Advent service, Harvest Festival, etc.

The 'Carols by Candlelight' service in December is usually decided in conjunction with the Musical Director of Cowcliffe Community Singers. This year it will be on the 3rd Sunday, 21st December at 5.00 pm.

The Christingle Service is our best attended service and is always held at 4.00 pm on Christmas Eve. Many people, who do not normally come to church, attend this service, regarding it as the 'start' of their Christmas.

'Time for God' is held at 7.00 pm on the second Wednesday of most months. It is led by a lay member of the congregation, who has been leading this service since 2006.

The hymns for all services, except 'Time for God' are on PowerPoint, usually prepared by the one of the churchwardens. We use a variety of service booklets appropriate to the season.

A weekly newsletter, containing the lectionary readings, is prepared by one of the churchwardens. Printed copies are available in church. The newsletter is also emailed to those on the mailing list and hand delivered to those not on email and unable to attend church every week.

9. The New Priest

Use this space to identify and list the qualities and skills you would like to see in the new priest. Continue on a separate sheet if necessary.

To be approachable, a good communicator across all ages, developing a good rapport with both church members and the community.

To be willing to attend both church and community events.

To bring new ideas on how to grow the congregation.

To respect the traditions and practices of St Hilda's Church.

To encourage and accompany lay members of the congregation with prayer card visiting.

To be administratively and managerially adept.

Ideally, someone who enjoys singing and is willing to lead the singing in the absence of a church choir.
