### Role context

The Diocese of Portsmouth has been awarded £5.3m by the Church of England’s Strategic Mission and Ministry (SMMI) board to support delivery of its £8.75m rejuvenate strategy (Rejuvenate) for the period 2025-29.

Our diocesan-level vision and strategy provide a framework for the life and ministry of parishes, chaplaincies, and deaneries of the diocese. It speaks of a diocese longing to be “a rejuvenating community of Jesus-centred, Kingdom-seeking disciples”.

As a diocese we have been inspired by a vision of Christ’s Body, the Church. A prayerful community which seeks God’s Kingdom in and for the world. A community where older people are treasured as the Church of *today* (rather than yesterday) and younger people find their place and voice as the Church of *today* (rather than of tomorrow).

Over the past 3 years we have seen the extraordinary growth of Anna Chaplaincy within our diocese. By God’s grace we trust this vital ministry will go from strength to strength in the years ahead. Rejuvenate, and the investment which has now been awarded to support it, applies our collective focus and energy to the challenge of connecting with younger generations *that they might discover Jesus Christ and the Kingdom for themselves*.

So, as a diocese we would like to double the number of children and young disciples in our churches and ensure there is a thriving ministry to children and young people within reach of every household across south-east Hampshire and the Isle of Wight. We want to reverse the decline in attendance and to equip and encourage clergy and lay leaders in prayer and discipleship.

Our strategy for delivering the Rejuvenate strategy contains three main elements:

*Jesus-centred, Kingdom-seeking*

- to **REVIVE** the well-being and spiritual leadership of our diocese by growing a host of little communities ('Cairns') which create space for God's Holy Spirit by prayerful reading of scripture, eating and studying together
- to **REVITALISE** and encourage our churches, to create pathways by which those currently unconnected to church can connect with the Christian message and make their journey towards becoming committed disciples.
- to **RENEW** the Church in areas where it currently has little presence, including the planting of new congregations and worshipping communities. Some of this work has already begun, with church planting over the past eight years creating new and growing churches in central Portsmouth, Southsea, Gosport, and Ryde. Hundreds of children, young people, students, and young families have joined thriving congregations at Harbour Church in Portsmouth, St Margaret's in Southsea, Haven Church in Gosport, and All Saints in Ryde.

The new investment has allowed us to expand this work, and to start new projects that aim to rejuvenate our diocese, including:

- **Cairns**, a network of sustaining and inspirational little communities meeting regularly to pray, break bread and to encourage one another in ministry.
- **Pathways to discipleship**, in which parishes will be given funding to create ways of engaging their communities and equipping new disciples for mission.
- **Choir Church**, a way that churches can use a love of singing to create new worshipping communities.
- **Flourish**, the creation of midweek, voluntary, worshipping communities for children and families, based in their schools.
- **Mission projects** in Paulsgrove and Leigh Park, to create new worshipping communities with young people and families as the heartbeat of each congregation.
- **Church plants**, both in urban Portsmouth and suburban Fareham, moving towards a worshipping community in the new major development of Welborne; and
- **Training in youthwork from Youthscape**, establishing expertise and new leaders to work with children, families, and young people.

#### Role purpose and objectives

Our Lead for Lay and Ordained Vocations (DDVO) will be enthused and clear that this is a key strategic role within our diocese – working closely with our bishop, Archdeacons, ministry and discipleship team, parish leaders, ADDOs, theological

*Jesus-centred, Kingdom-seeking*

institutions, and the National Ministry team– to lead, resource and help shape the future of ordained and lay ministry vocations across the diocese.

This post holder will enable us to play our part in helping the Church of England see an exponential rise in ordained and lay vocations to lead God’s people as communities of Jesus-centred, Kingdom-seeking disciples. You will help draw out vocations from those disciples to make more disciples to see our diocese and nation transformed.

You will lead and develop the team of ADDOs that will be at the forefront of identifying and nurturing those called to ordained and other licensed ministry.

You will help to develop prayerful leaders who are Jesus-centred in their whole life discipleship, can make disciples and cultivate cultures of missionary discipleship, are committed to the church becoming younger and more diverse and who promote and nurture a mixed ecology of church life within the parish.

You will bring great emotional intelligence and self-awareness to the role as you lead a prayerful and visionary discernment process, ensuring that each candidate is both deeply supported and rigorously assessed.

You will work across a rich and varied landscape of church traditions, including church plants and pioneer contexts, with a passion for widening participation and cultivating vocations that reflect the full diversity of our region, inspiring all disciples from all traditions, including the renewal of middle Anglicanism, to consider their vocation as you develop an energetic and visible presence across the diocese.

You will develop a range of accelerated and targeted pathways for those with leadership potential and strengthen routes into ministry for underrepresented communities.
