### KEY MISSION TASKS

The overall key mission task is to grow the church in numbers, in discipleship and in service, so that more people may know and spread the love of Christ.

The specific priorities identified by the PCC include:

- Significantly growing youth and children's work;
- Exploring new forms of worship;
- Increasing lay leadership and discipleship.

### ARCHDEACON'S COMMENTS

Our vision as the Diocese is about confident clergy equipping confident Christians to live and tell the good news of Jesus Christ. For all our appointments we are seeking clergy who have a joyful and confident faith which has inspired a track record of church growth.

This church is ready for its next phase of mission. It is notable that the PCC chose to quote Isaiah 43:19a on the front cover of their brochure. There is an appetite for growth and a readiness to review and revise their vision for the next steps.

Garforth is a single church benefice comprising an attractive commuter town to the east of Leeds. The parish brochure describes well the area and its facilities. It is a place where good parish ministry continues to work well with traditional residents, alongside which there is the substantial challenge of reaching the commuter population who relate to a wider area.

The church has not stood still in recent years. Effective developments include their Café Connect; Fun Tots and Bubble Church for young families; increased contact with schools; improved use of IT (screens and new sound system in Church, streaming of services, website, social media); food bank donations and support; and refurbishment of the Parish Centre to make it more flexible for church and community groups.

As in many places, the underlying challenge is to reach people with the gospel, attract enquirers, and help people to move into discipleship (including giving) and leadership. There are able lay leaders, but they are aware of the need for successors to take on their roles. Finance continues to be a challenge, and despite much hard work the PCC has not yet been able to meet their Parish Share request in full, and continuing work is needed to address this.

The right candidate will find this a rewarding place to pursue the mission of the Church of England.

All new appointees in the Diocese are required to undertake:

- (i) the diocesan induction programme which includes diocesan training for safeguarding children and vulnerable adults,
- (ii) a course on presence and engagement in the context of other faiths, and
- (iii) the residential “*Leading Your Church into Growth*” course (LYCiG).

The accommodation offered will be the parsonage as detailed in the Parish Brochure. Prior visits, if necessary, can be arranged via Archdeacon Paul Ayers’ PA. Please contact [helen.allison@leeds.anglican.org](mailto:helen.allison@leeds.anglican.org)
