8. Additional Information

Use this space to record any other information which you would like the Patron and the Bishop to be aware of regarding the conditions, needs, or traditions of the parish(es). Continue on a separate sheet if necessary.

Our church family has seen changes in recent years; we have a number of people who have attended St Bartholomew's for many years but we are also welcoming younger people and people who are new to faith. We would like to see our older/ regular worshipers nurtured and supported in their faith whilst fostering and growing the faith of our younger and newer members.

Growth in recent months is reflected that whilst Sunday attendance has returned to near pre-Covid levels, a significant proportion of attendees are new, non-Communicant members.

St Bartholomew's Church has followed the more traditional style of worship. We wish to continue to hold a Holy Eucharist Service in our church most Sunday morning

When we began this process, we invited our congregation to complete a questionnaire, several people mention the importance of reverence and tradition but alongside this spoke of an inclusive and accessible approach to worship.

We hope for a vicar who embraces inclusivity at the heart of their ministry—someone who welcomes all people, regardless of background, age, ability, gender identity, or sexual orientation. Our church values a spirit of openness and compassion, and we seek a leader who fosters a community where everyone feels safe, seen, and valued. We believe that the love of Christ is for all, and we want that to be reflected in both word and action.
