### **Important Note**

**The responsibility for applications for any or all of these items must be borne by the chaplain designate in conjunction with the Chaplaincy Council incorrect, not sure where this information came from**

The responsibility for submitting an application for work/residence permit lies with the Chaplaincy Council, as employer. An EU citizen could do this on their own but it's not advisable

Non EU citizens must be sponsored by an employer.

Any contract signed by a new Chaplain should include the condition that it is only valid subject to granting of work/residence permit.

German language requirements for non Swiss/ EU/ EFTA citizens are B1 spoken and A1 written in accordance with the Common European Framework of Reference (CEFR).

\* If spouse is already working in CH, a partner can be brought in as "family reunification" or "change of employer". Would have to be advised on a one to one basis.
