

# TEAM VICAR & MISSION ENABLER IN THE DOVER TOWN BENEFICE

## A Message from the Bishop of Dover

Welcome and thank you for taking an interest in the role of Team Vicar & Mission Enabler in the Dover Town Benefice. You will see from the profile some of the specific things that the benefice is looking for – and a little of what the team here hopes the future may look like. Of course, part of your discernment process in coming to this role is gaining a sense of the bigger picture of us as a diocesan family, our vision, and priorities for the future.

### Who we are

Founded in 597 by St Augustine, Canterbury Diocese is the oldest diocese in England and has a special place in the life of the national and worldwide Church. With its iconic Cathedral it forms a focal point for the life of the whole Anglican Communion, offering a spiritual home and place of pilgrimage for people from every nation and walk of life.

Kent is renowned as the ‘Garden of England’ and this rural heart is core to our identity – yet the communities we serve are very diverse. Our Diocese stretches from Maidstone to Thanet, from the Isle of Sheppey to the Romney Marsh. We have 350 miles of coastline with historic ports and seaside resorts, alongside rural communities, market towns and commuter-belt urban developments. Affluent areas often sit alongside pockets of major deprivation, offering an exciting and challenging mission context.

### Where we are heading

At the heart of all we do is a vision of transformation for ourselves and our communities: no one can encounter God and remain unchanged. Increasingly, in our diocese, we want to become a Christian community transformed through encounter with Christ, overflowing to transform and bless the families, homes and communities we serve in Kent: *Changed Lives* → *Changing Lives*. In your role, in your place, we will be looking for you to join in with what God is already doing and play a crucial part in making this vision a reality.

*Changed Lives* → *Changing Lives* unites us in purpose but will be expressed in different ways according to what makes sense for different parts of our diocesan family. It is also a living strategy

– as we listen to God and one another, the shape of our work together will undoubtedly change and grow. In December 2020 I wrote to all the Deaneries to ask them to consider, in light of all we have experienced over the last two years, what their mission priorities are and how their deanery should be shaped in order to flourish and be sustainable. In response every Deanery has set their own starting place to move forward from. Dover Deanery's response is being updated in the light of local experience, and you could be part of developing their vision for the future. All these reports and our Diocesan response can be found in [Towards a Flourishing and Sustainable Future](#). We are now updating this document to shape our mission going forward.

To find out more about this post please contact the Archdeacon of Ashford, the Venerable Darren Miller (01233 712649/[darren.miller@archdeacashford.org](mailto:darren.miller@archdeacashford.org)). You would also be welcome to have an informal discussion with the Area Dean, the Revd Andy Bawtree (01304 822037/[rockabillyrev@hotmail.com](mailto:rockabillyrev@hotmail.com)).

### **Our commitment to you**

We know that supporting healthy, flourishing ministers (lay and ordained) is crucial for a healthy, flourishing diocese. Therefore, we offer the '**Canterbury Diet**' to all our new incumbent ministers – this is an intentional programme for ministerial development, health, growth and faith. If a lay appointment is made to this post, we will endeavour to provide equivalent support to you. We offer pastoral supervision and spiritual accompaniment, an invitation to be part of residential training programmes focused on learning, leading and mission, action learning sets, as well as a range of specialised training events, and other regular opportunities for growth in prayer and spirituality.

In short, I hope that you will be as excited by our vision, priorities and opportunities as we are. Be assured of our prayers as you consider your next step in ministry.

**The Rt Revd Rose Hudson Wilkin**  
**Bishop of Dover and Bishop in Canterbury**

## Archdeacon's Introduction

This benefice is a team ministry where the parishes are exploring how best to express their own identities whilst finding mutual support and encouragement in all they share. Mission is becoming something to embrace and express, in each parish in a way that is authentic to its own identity as well as in benefice-wide initiatives. As you will see from the profile, there is now an opportunity for a colleague to join the team to support this move to a more missional footing in each parish. As the parish base for this role will be at St Peter and St Paul, Charlton, you'll be particularly sympathetic to a sacramental expression of our faith.

Partnership is key to this role – with the ministry team of the benefice, with each parish, with the people of Charlton and Buckland, and with other denominations and organisations across Dover. There'll also be support from the deanery and the wider diocese. Such partnership working will help you and the benefice reach out better to the families and people of Dover who have little contact with the Church and our message of Jesus, his Kingdom and the difference Christ can make in their lives.

We have secured grant funding for five years to cover the cost of the stipend and housing during this time. This means that you will be additionally supported by a reference group that meets with you three or four times a year.

We are committed to your full support with great colleagues in the deanery and we would expect you to have a pastoral supervisor and can work with you on other training and support as required.

I hope that you will find much information about the benefice and diocese in the recruitment pack but please feel free to contact me for an informal discussion if that would help.

With my prayers as you discern whether God is calling you to serve in Dover.

**The Ven Darren Miller**  
**Archdeacon of Ashford**

# OUR DIOCESAN VISION

## Changed Lives, Changing Lives

By God's grace we want to be a people who are...

...confident & creative disciples of Jesus Christ

...rooted in scripture & drenched in prayer

...living gratefully, giving generously, caring for creation & sharing the gospel

...growing in number & expectations – of God & ourselves

...motivated by justice & love, open to the Spirit & ready for adventure!

## Therefore we will ...

'Therefore we will...' is a recognition that words without actions are empty. It is a commitment to taking real steps *now* to make this vision a reality *soon*. The current actions that flow from this vision - both at a diocesan level and in our deaneries - are outlined in detail over the rest of this document. Of course, these actions will change and develop over time - and we would encourage our parishes to consider this vision carefully for themselves, to explore together what actions they will commit to take, what their local 'Therefore we will...' might look like.
